

**NO CROSS BOOK**

1. verse

As I walk through the abyss where I built up my base  
I take a look at my wife and realize she left no trace  
But that's just perfect for a badass like me,  
Ya know, I shun fancy things like humanity  
At fourthirty in the morning I'm plotting tricks  
Lil' Ritsuko clones Rei, and Misato vomits... fool  
And I've been plottin' and clonin' so long that  
even Fuyutsuki thinks that my mind is gone  
I'm a man of the NERV, I'm into discipline  
Got Adam in my hand and a beard on my chin  
But if SEELE completes their plans, and I complete mine,  
Then we'll have a nice impact like in 1999

1. chorus

We've been lonely for most our lives  
Aim through Impact into paradise  
We've battled Angels once or twice,  
Aim through Impact into paradise  
We let each other sacrifice,  
Aim through Impact into paradise  
We build mechs at an insane price,  
Aim through Impact into paradise

# LYRICS

2. verse

My little boy came to headquarters last week  
I didn't smile at him cause he's useless whiny geek  
I really don't care, in fact I wish him well  
'Cause living with Katsuragi seems to be a kind of hell  
And he ain't never punched Asuka even if she deserved it  
She's a pilot with a 'tude - you know that's unheard of  
she has no manners but she looks good in red  
and compared to her Rei looks almost dead... fool  
If you come to visit, better bring a coupla tissues  
even Carl Gustav Jung won't be enough for our issues  
But we ain't really quaint, so please don't point and stare  
We're just psychologically impaired

Interlude/break

There are Angels, Evas, AT fields  
And the single brilliant me  
a bunch of textbook cases for  
Freud's psychopatology

2. chorus

We've been lonely for most our lives  
Aim through Impact into paradise  
We're just plain and simple guys  
Aim through Impact into paradise  
There comes the time to throw the dice  
and aim through Impact into paradise  
Then you'll see we don't play nice  
we'll aim through Impact into paradise

3. verse

Lying to the SEELE,  
cloning Shinji's mother  
made her clone on Monday,  
soon I'll make another  
think I'm really crazy?  
think I ain't got a heart?  
well I know I'm a million times  
as insane as thou art.  
I'm the scheming bastard  
foolish Kaji wants to be like  
in my chair day and night  
watching Angels dancing in my mind  
So don't complain  
and don't be whiny  
or else, my son, you'll end in a coma  
like that little Heinie

3. chorus

We've been lonely for most our lives  
Aim through Impact into paradise  
We've been spreading fears and frights  
to aim through Impact into paradise  
There'll be no pain just comfy lights  
Aim through Impact into paradise  
But you'd probably think it bites  
after Impact in our paradise.
